Of all moneys so payable; such deductions to be held by University by way of security deposit: PROVIDED ALWAYS that in the event of the contract or depositing a lump sum by way of security deposit as contemplated at above, then and in such case, if the sum so deposited shall not amount to _____ percent (The amount of this % (not exceeding 10% will be fixed as 8% and the Security Deposit only amounts to 5% of the estimated cost of the work, then 3% should be deducted from every payment if the % is fixed at 10% and the Security Deposit only amount to 6% should be deducted and so on.) of the total estimated cost of the work, it shall be lawful for University at the time of making any payment to the Contractor for work done under the contract to make up the full amount of _____ percent by deducting a sufficient sum from every such payment as last aforesaid. All compensation or other sums of money payable by the Contractor to University under the terms of his contract may be deducted from, or paid by the sale of sufficient part of this security deposit or from the, interest arising there from, or from any sums which may be due to may become due by University to the Contractor on any account whatsoever, and in the event of his security deposit being reduced by reason of any such deduction of sale as aforesaid, the Contractor shall, within then days thereafter, make good in cash or Government securities endorsed as aforesaid any sum or sums which may have been deducted from, raised by sale of his security deposit or any part thereof. The security deposit referred to, when paid in cash may, at the cost of the depositor be converted into interest-bearing securities provided that the depositor has expressly desired in writing.

RELEASE OF SECURITY DEPOSIT

On completion of work, half the total amount retained is refundable to the contractor and half when the defects liability period has expired and the engineer has certified that all defects notified to the contractor before the end of this period of six months have been attended to his satisfaction.

NOTE: A work should be considered as completed for the purpose of refund of security deposit to a Contractor from the last date on which its final measurements are checked by a competent authority, such check is necessary otherwise from the last date of recording the final measurement.

CLAUSE – 2: The time allowed for carrying out the work as entered in the tender shall be strictly observed by the Contractor and shall be reckoned from the date which the order to commence work is given to the Contractor. The work shall throughout the stipulated period of the contract be proceeded with, with all due diligence (time being deemed to be of the essence of the contract on the part of Contractor) and the Contractor shall pay as compensation an amount equal to one percent or such smaller amount as the Project Director (whose decision in written shall be final) may decide, of the amount of the estimated cost of the whole work as shown by the tender for every day that the work remains un-commenced, or unfinished, after the proper dates. And further to ensure good progress during the execution of the work, the Contractor shall be bound, in all cases in which the time allowed for any exceeds one month, to complete:

And abide by the programme of detailed progress laid down by the Project Engineer. In the event of the contractor failing to comply with condition he shall be liable to pay as compensation an

amount equal to one percent. Or such smaller amount as the Project Director (whose decision in writing shall final) may decide of the said estimated cost of the whole work for every day that the due quantity of work remains incomplete; PROVIDED ALWAYS that the total amount of cost of the work as shown in the tender.

NOTE – 1: The quantity of the work to be done within a particular time to be specified above shall be fixed and inserted in the bank space kept for the purpose by the Officer competent to accept the contracts after taking onto consideration the circumstances of each case.

NOTE – 2: For the purpose of determining stage-wise progress in this clause, it will be calculated on the actual expenditure incurred on the work at site which will include the payments made, cost of work not measured and the cost of materials brought to site and will not include the invisible expenditure including advances if any paid for labor and material, the overhead and administrative expense etc.

CLAUSE – 3: ACTIONS WHEN WHOLE OF THE SECURITY DEPOSIT IS FORFEITED

In all case in which under any clause or calluses of this contract the Contractor shall have rendered himself liable to pay compensation amounting to the whole of his security deposit (whether paid in one sum or deducting by installments) or in the case of abandonment of the work owing to the serious illness or death of the Contractor or any other cause, the “Project Director” on behalf of PEOPLES UNIVERSITY OF MEDICAL & HEALTH SCIENCES FOR WOMENQ, Nawabshah, shall have power to adopt any of the following courses, as he may deem best suited to the interest of University.

- To rescind the contract (of which rescission notice in writing to the Contractor under the hand of the Project Director shall be conclusive evidence) and in that case the security deposit of the Contractor shall stand forfeited and the absolutely at the disposal of University.
- To employ labor paid by the University to carry out the work, or any part of the work, depositing the Contractor with the cost of the labor(as to the correctness of which cost and price the certificate of Project Director shall be final and conclusive against the Contractor) and crediting him with value of work done, in all respects in the same manner and at the same rates as if it has been carried out by the Contractor under the terms of his contract; and in that case the certificate of the Project Engineer as to the value of the work done shall be final and conclusive against the contractor.
- To measure up the work of the Contractor and to take such part thereof as shall be unexecuted out of his hands, and to give it to another Contractor to complete it, in which case any expenses which may be incurred in excess of the sum which would have been paid to the original Contractor if the whole work had been executed by him (as to the amount of which excess expenses the certificates in writing of Project Director shall be final and conclusive) shall be borne and paid by the original contractor and shall be deducted from any money due to him by University under the contractor or otherwise or from his security deposit or the proceeds of sale thereof, or a sufficient part thereof.

In the event of any of the above courses being adopted by the Project Director, the Contractor shall have no claim to compensation for any loss sustained by him by reason of his having purchased any advances on account of or with a view to the execution of the work or the performance of the contract. And in case the contract shall be rescinded under the provision aforesaid, the contractor shall not be entitled to recover or be paid any sum for any work therefore actually performed by him under this contract unless and the Project Director shall

have certified in writing the performance of such work and the amount payable in respect thereof, and he shall only be entitled to be paid the amount so certified.

CLAUSE – 4: ACTION WHEN THE PROGRESS OF ANY PARTICULAR POSITION OF THE WORK IS UNSATISFACTORY:

In the progress of any particular portion of the work is unsatisfactory, Project Director shall, notwithstanding that the general progress of the work is in accordance with the conditions mentioned in clause 2, be entitled to take action under clause 3(b) after giving the contractor 10 days notice in writing. The Contractor will have no claim for compensation; for any loss sustained by him owing to such action.

CLAUSE – 5: CONTRACTOR REMAINS/LIABLE TO PAY COMPENSATION IF ACTION NOT TAKEN UNDER CLAUSE 3 AND 4.

POWER TO TAKE POSSESSION OF OR REQUIRE REMOVAL OF OR SELL CONTRACTOR'S PLANT

If any case in which any of the power conferred upon the Project Director by clause 3 and 4 hereof shall have become exercisable and the same shall not have been exercised the non-exercised thereof shall not constitute a waiver of any of the condition hereof and such powers shall notwithstanding be exercisable in the event of any future case of default by the Contractor for which under any clause or clauses hereof he is declared liable to pay compensation amounting to the whole of his security deposit and the liability of the contractor for past and future compensation shall remain unaffected. In the event of the Project Director taking/action under sub-clause (a) or (c) of clause 3, he may, if he so desires, take possession of all or any tools, plant, materials and stores in or upon the works, of the site thereof or belonging to the Contractor, or procured by him and intended to be used for the execution of the work or any part thereof, paying or allowing for the same in account at the contract rate, or in the case of contract not being applicable, at current market rates, to be certified by the Project Director whose certificate thereof shall be final. In the alternative, the Project Director may, after giving notice in writing to the contractor or his clerk of the work foremen or another authorized agent, required him to remove such tools, plant, material, or stores from the premises within a time to be specified in such notice and in the event of the Contractor failing to comply with any such requisition, the Project Director as to the expense of any such removal and the amount of the process and expense of any such removal and the amount of the proceeds and expense of any sale shall be final and conclusive against the Contractor.

CLAUSE – 6: EXTENSION OF TIME

If the contractor shall desire an extension of the time for completion of the work on the ground of his having been unavoidably hindered in its execution or on any other ground, he shall apply in writing to the Project Director within 30 days from the date of which the execution of the work, was hindered as aforesaid or on which the ground for asking for execution arose and in any case before the date of completion of the work, and the Project Director may, if in his opinion, there are reasonable grounds for granting an extension, grant such extension as he thinks necessary or proper. The decision of the Project Engineer in this matter shall be final.

Provided that where the Contractor is hindered in the execution of the work on account of any act or omission on the part of the University or its authorized officers, the project director may at any time before the date of completion and on his own initiative extend the time of completion of the work for which period as he may think necessary or project.

Where time has been extend under this or any other clause of this agreement the date for completion of the work shall be the date fixed by the order giving the extension or by the aggregate of all such orders, made under this agreement.

When time has been extend as aforesaid, it shall continue to be the essence of the contract and all clauses of the contract shall continue to be operative during the extended period.

CLAUSE – 7: FINAL CERTIFICATE

On completion of the work the Contractor be furnished with a certificate by the Project Director of such completion, but no such certificate shall be given nor shall the work be considered to be complete until the Contractor shall have removed from premises on which the work shall have been executed all scaffolding surplus materials and rubbish and shall have cleared the site of work in and around the structures/works completed and shall have cleaned off any building in or upon which the work has been executed, or of which he may have had possession for the purpose of executing the work, nor until the work shall have been measure by the Project Director or where the measurements have been taken by his subordinate until they have received the approval of the Project Director, the said measurements being binding and conclusive against the Contractor. If the Contractor shall fail to comply with the requirements of this clause as to the removal of scaffolding, surplus materials and rubbish and shall have cleared the site of work in and around the structures/works completed and dispose f the same as he thinks fit and clean of such dirt as aforesaid; and the contracts shall have no claim in respect of any such scaffolding or surplus materials as aforesaid except for any sum actually realized by the sale thereof.
