

Notice

It is for information to all faculty and interested staff members that Higher Education Commission Islamabad aims to promote a healthy culture of the use of licensed software across the higher education sector. For this and realizing the success of HEC's initiative of promoting use of licensed Microsoft Products at the Higher education institutes across Pakistan. Microsoft Office 365 Pro Plus features includes:

- Zero cost
- Allows user to install on up to ten different devices with a single office 365 license.
- 1 TB OneDrive Online Storage

All the faculty and interested staff members are required to kindly submit the proforma at IT Department attached here with notice within one week (16th Feb:2017) for the access of Microsoft resource.

Note: Kindly will contact with Mir saleemullah Jamali (IT Department) for facilitation.

Forms are available at official website & IT department.
