

Windows 10 Configuration of PUMHSW Smart University Connectivity Manual

1. Select the icon to access the internet from the task bar in the lower-right. You will see an icon that will look like one of the images below.

Fig 1 –Wireless/network icon

2. Select PUMHSW Smart University from the list of available Networks and select Connect.
3. Enter your Institute User ID and password.
4. You will be prompted to continue connecting. Select Connect.
5. If successfully authenticated the status will change to Connected (may briefly display Limited). You will now be connected to the “PUMHSW Smart University” service.
