

Academic Calendar Report

Mr. Arslan Ahmer Rajput (Lecturer)

Course:	Pharmacy Practice-HA (Dispensing Pharmacy)	Program:	PHARM-D
Batch:	2022-23	Semester/Year:	3rd Year - 5th Semester

S.No.	Date	Week	Teacher	Description
1	28/02/2025	Week 1	Mr. Arslan Ahmer Rajput	Basic principles of compounding and dispensing , Fundamental operations in Compounding , Introduction of parts of prescription , Practical introduction to prescription handling, interpretation, filling and labeling
2	12/03/2025	Week 2	Mr. Arslan Ahmer Rajput	Prescription Filling, Interpretation, Pricing, Prescription-Handling , Labeling of Dispensed Medication , Extemporaneous Compounding and Dispensing of simple mixtures containing soluble substances only
3	19/03/2025	Week 3	Mr. Arslan Ahmer Rajput	Introduction of Containers and closures for Dispensed Products, Types of Containers, Types of Closures, Extemporaneous Compounding and Dispensing of simple mixtures containing diffusible substances
4	26/03/2025	Week 4	Mr. Arslan Ahmer Rajput	Introduction, types, uses, advantages and disadvantages of packaging materials, Introduction, types, uses, advantages and disadvantages of packaging materials, Introduction, types, uses, advantages and disadvantages of packaging materials, Extemporaneous Compounding and Dispensing of simple mixtures containing in-diffusible substances
5	02/04/2025	Week 5	Mr. Arslan Ahmer Rajput	Introduction, types, uses, advantages and disadvantages of packaging materials, Introduction of Incompatibilities , Types of Incompatibilities, Extemporaneous Compounding and Dispensing of simple mixtures containing in-diffusible substances
6	09/04/2025	Week 6	Mr. Arslan Ahmer Rajput	Manifestations of Incompatibilities, Correction of Incompatibilities with reference to typical examples , Prevention of Incompatibilities with reference to typical examples, Extemporaneous Compounding and Dispensing of simple mixtures containing mixtures forming precipitate
7	16/04/2025	Week 7	Mr. Arslan Ahmer Rajput	Introduction of extemporaneous compounding dispensing, Extemporaneous compounding and dispensing of Solutions, Extemporaneous compounding and dispensing of Solutions, Extemporaneous Compounding and Dispensing of simple powders for external use
8	23/04/2025	Week 8	Mr. Arslan Ahmer Rajput	Extemporaneous compounding and dispensing of Suspensions, Extemporaneous compounding and dispensing of Suspensions, Extemporaneous

S.No.	Date	Week	Teacher	Description
				compounding and dispensing of Suspensions, Extemporaneous Compounding and Dispensing of compound powders for external use
9	30/04/2025	Week 9	Mr. Arslan Ahmer Rajput	Extemporaneous compounding and dispensing of emulsions , Extemporaneous compounding and dispensing of emulsions, Extemporaneous compounding and dispensing of emulsions, Extemporaneous Compounding and Dispensing of effervescent powders for external use
10	07/05/2025	Week 10	Mr. Arslan Ahmer Rajput	Extemporaneous compounding and dispensing of creams, Extemporaneous compounding and dispensing of creams, Extemporaneous compounding and dispensing of creams, Practical importance of Incompatibilities
11	14/05/2025	Week 11	Mr. Arslan Ahmer Rajput	Extemporaneous compounding and dispensing of ointments, Extemporaneous compounding and dispensing of ointments, Extemporaneous compounding and dispensing of ointments, Extemporaneous Compounding and Dispensing of iodine and Methyl salicylate ointment
12	21/05/2025	Week 12	Mr. Arslan Ahmer Rajput	Extemporaneous compounding and dispensing of pastes, Extemporaneous compounding and dispensing of pastes, Extemporaneous compounding and dispensing of gels, Extemporaneous Compounding and Dispensing of cold cream
13	28/05/2025	Week 13	Mr. Arslan Ahmer Rajput	Extemporaneous compounding and dispensing of gels, Extemporaneous compounding and dispensing of suppositories, Extemporaneous compounding and dispensing of suppositories, Extemporaneous Compounding and Dispensing of vanishing creams
14	04/06/2025	Week 14	Mr. Arslan Ahmer Rajput	Extemporaneous compounding and dispensing of pessaries, Extemporaneous compounding and dispensing of pessaries, Extemporaneous compounding and dispensing of pessaries, Extemporaneous Compounding and Dispensing of Lipstick
15	11/06/2025	Week 15	Mr. Arslan Ahmer Rajput	Extemporaneous compounding and dispensing of powders, Extemporaneous compounding and dispensing of powders, Extemporaneous compounding and dispensing of granules, Extemporaneous Compounding and Dispensing of talcum powder
16	18/06/2025	Week 16	Mr. Arslan Ahmer Rajput	Extemporaneous compounding and dispensing of granules, Extemporaneous compounding and dispensing of oral unit dosage form, Extemporaneous compounding and dispensing of oral unit dosage form, Health Science Research Project: In the area of health care system, community pharmacy. Establishment of DIC, PCC
